

SSR Metals Pvt. Ltd.  
*The Quality that forever*

Corporate Brochure

We, 'SSR Metals Private Limited', are a major supplier, manufacturer and exporter of Plastic and UPS Cabinets. Having applications in the electrical equipment industry the metal and plastic sheet are of high durability.

- About Us -

Since our inception in 2001, 'SSR Metals Private Limited' have remained and consistent and reliable suppliers, manufacturers and exporters of the **Plastic and Sheet Metal Cabinets**. These cabinets are of the high quality durability and corrosion free for a long life in heavy industrial duty. The basic category of products include **Inverter Cabinets and Enclosures, UPS Cabinets, Weighing Scale Cabinet, Trolley Moulds, Server Rack Cabinet, Voltage Stabilizers Cabinets, Scientific Equipment Enclosure and Stickers and Labels**. We have a long association with a standard quality control mechanism with test controllers having a greater roll in the exhaustive test mechanism. Our production team is well versed with best manufacture techniques with advanced precision tool machines. Besides they also provide customization for the clients as well.

We have a capacious storage facility that is able to provide a moisture and fungal free zone for preservation. Each section in the warehouse is able to provide a ventilation technique that prevents any pest infection in the compound. We have a sophisticated packaging facility for the safe and secure transportability of the products to the end clients. The products that are being produced at our facility require an advanced tooling that we have been constantly upgrading over the years.

## UPS Cabinets:

We are a prolific manufacturer and supplier of the **UPS Cabinets**. Our company has a quality control mechanism that has provided the much needed quality trade-off with production. We are able to provide a much needed packaging facility that has been the mainstay of the packaging infrastructure.
